

Create a Madhatters Hat With Robin Strang That suits you and your personality

The Aim

- To discuss the style of hat that suits you.
- To cut the hat out from scratch using MadHatters patterns in the style of your choice.
- To choose the fabric that suits you and the style.
- Or to use your own fabrics with guidance on colours and trimmings.
- To then make your own hat with detailed instruction and then finish your hat with a real sense of achievement all in a day's workshop.

Plan for the day

- 8.00am - Rego and coffee
- 8.30 – 9pm - Discussion on colours and style and to choose for all the participants what they want out of the day
- 9.30 am - Begin the process of cutting
- 11am - Began the construction of hat
- 12 Lunch Bring own lunch so we can share stories over lunch
- 12.30 – 4 pm Get stuck into the construction.
- Instruction will include different ways of finishing hats with different trims and added extras
- We should be all done by 4pm!!!!!!!!!!!!!!!

Everybody completing their very own MadHatters Hat by the end of the day with enough time left for a wine or a hat parade!!

Necessary Equipment

- Own sewing Machine and know how to use it!
- Scissors and pins – tape measure
- Own fabrics if you wish to and cottons to match (or you can purchase my fabrics – will carry the basics as in black, navy, fuchsias, lime etc plus some checks and florals)

The One Day Workshop

\$55 for the workshop per participant includes: -

- Patterns for exact style
- Interface
- Instructions on what style and colours suit you
- Instructions on how to cut and construct a MadHatters Hat
- Cottons if necessary unless you wish to use your own to suit your fabrics
- Participants to take own note

Fabrics are extra at the wholesales prices/ trims to match or offset your hat

Remember there is money available through your local RADF in conjunction with local council for such workshop to be held

Second Kits after workshop is completed is \$69 including fabrics.

Will add postage unless we have time to cut it during the afternoon.

Minimum 8 with a maximum of 10 participants in one day. Can a second day if the numbers require it.

\$200 per day for teaching fee

Other requirements

- Will need accommodation and meals
(Am happy to stay in motel if preferred.)
- Allowance for fuel since I will be travelling from Townsville, happy to drive myself as will have gear and fabrics etc with me

Will do an approx amount for fuel from Townsville to say Longreach, Barcaldine, Blackall etc or wherever I might be asked to take workshops. This all depends on other workshop organised on same road trip and can be discussed further.
